

46 ⇒ ④

50. Morning Glory

Use a five-inch sheet of blue, red, or purple paper with a lighter underside. The darker side goes inside.

- 1~4. Start with step 4 of the crane base. Valley fold on the dotted lines, top flaps only.
5. The figure should look like this. Turn it over, and repeat the first fold.
6. Pull points A and B out and down as you see in the chart.
7. The process of pulling the flaps out and down.
8. Valley fold on the dotted lines.
9. Cut on the indicated line.
10. Flatten the figure to its original position.
11. Valley fold the top flap only on the dotted line.
12. The finished flower.
